CC Docket No.02-6

In re: **AAA Academy**
Billed Entity Number: 161039092
Appellant: E rate Solutions Group
Fund Year: 2016 FCC Form 471:161039092 (category 1)

Dear Ms. Dortch:

This is a "Letter For oof Appeal" for the time to respond to PIA questions as the information requested had been previously submitted in 2015 and is enclosed. Due to EPC issues we are unable to file the appeal within EPC and I am uncertain if USAC will accepte the appeal within submit a question. Enclosed is the information to support FRN 1699104892 & 1699104906. FCDL was issued on 10/10/16.

Therefore, since the application should not have been denied and the EPC system should have been more reliable and accessable that the enclosed information should be accepted. Please accept this appeal which should have transmitted to USAC.

I believe that the intent of the program is to make sure all eligible schools and libraries receive phone, internet access and internal networking equipment maintenance services as well as internal networking equipment. This school should not be penalized due to any delays in providing requested information which was beyond their control. I sincerely hope that this material will be reviewed and the application reviewed on the information previously provided.

Thank you,
